Assignment rights of image and consent to analyse personal data

During this program, Católica Porto Business School may take photos or videos with the intent of using them as digital support and documental support.

Your personal data, such as name, age, academic history, institutions, your company's position, as well as your email, will be shared with the rest of the participants and professors involved in the program. The same goes by, with the photos and videos taken.

The student is guaranteed the right to refuse to appear in photos and videos of this program. In that case, he must alert the executive coordinator of this program, since the beginning, to lose the process of identification.

- ☐ I give my consent to assignment rights of image and authorize the use of this photos to Marketing finality's and to the university's archive.
- ☐ I do not give my consent to assignment rights of image.
- ☐ I give my consent to Católica Porto Business School , and to the legal representation, permission to use my personal data mentioned above with the finality to share with other students and professors.
- ☐ I do not give consent to the assignment mentioned above.

You may revoke this consent at any time, as well as use your rights through: <https://www.ucp.pt/pt-pt/direitos-do-titular-dos-dados>. The data given is only treated by Católica Porto Business School. You may use your rights through the email: compliance.rgpd@ucp.pt, in the event of the violation of any of the clauses.
